

Present the Nation's Most Comprehensive

AQUATIC FACILITY OPERATOR CERTIFICATION COURSE

The latest in training for those who are responsible for operating clean, safe, and efficient aquatic facilities. In-depth instruction on filtration, disinfection, water testing and treatment, design considerations, facility management, risk management, facility trouble shooting, and much more!

Thursday, May 13, 2010 8:30 a.m. - 6:30 p.m.
Friday, May 14, 2010, 8:30 a.m. - 6:30 p.m.
Dryland Center, Tualatin Hills Recreation Complex
15707 SW Walker Road, Beaverton, OR 97006

The Aquatic Facility Operator Course is a specialized 18 hour training program designed to meet the needs of both supervisory and operations personnel working in public and semi-public recreational pool or waterpark facilities.

Upon completion of the course and exam you will receive national certification as an AFO valid for five years, 1.5 CEU's and a certificate of completion suitable for framing.

Course materials, sent to you in advance, include the Aquatic Facility Operator Manual, one of the newest publications available on pool operations. The manual is updated approximately every three years to keep current with changing technology. Best of all, it is understandable and easy to read.

Space is Limited! Sign up Today!
Send your completed registration to:

ORPA, 1515 16th ST NE, Salem, OR 97301 FAX: 503-914-1801 or amanda@orpa.org
